About

Adrienne is a partner of the firm's Video Games and Interactive Media practice group.

Adrienne's clients include indie developers of some of the most popular video games in the world. She counsels these studios and others on the development, commercialization, and protection of their intellectual property, including by way of platform, merchandise, TV/film, music, influencer, crossover, vendor, personnel, and end-user agreements.

Adrienne also advises clients on compliance with data privacy laws and regulations, including California's Consumer Privacy Act of 2018, California's Privacy Rights Act of 2020, the Children's Online Privacy Protection Act, European Union's General Data Protection Regulation, the United Kingdom's Children's Code, and other applicable U.S. and international data privacy laws and regulations.

Adrienne's IMDb®: <https://www.imdb.com/name/nm13371369/>.
